The background of the slide is a photograph of an industrial manufacturing environment. On the left, a robotic arm is visible, holding a component. In the center and right, there is complex machinery with various pipes, valves, and structural frames. The lighting is industrial, with some bright spots and a generally dim, blue-toned atmosphere. The overall image conveys a sense of precision and automation in a factory setting.

ABOUT OUR COMPANY

ABOUT OUR COMPANY

PRODUCTION

LLC «I.C. Aseptica» is equipped with the most modern high-performance filling and packaging and cosmetic equipment. Among the production equipment, we also have unique examples by world standards – a machine capable of producing up to 600 thousand products in 12 hours of working. This equipment is the highest performing in the world and the only one in Russian Federation. Production facilities allow us to produce more than 900 million products per year.

ABOUT OUR COMPANY

LABORATORY

All products branded with the manufacturer LLC «I.C. Aseptica» is produced under the strict control of our own high-tech laboratory. Products (including packaging) are certified according to modern European standards and are in full compliance with the laws of the Russian Federation.

Even at the start of development of the formula, the components interaction is especially checked.

This allows our laboratory to guarantee the absolute safety of our products.

ABOUT OUR COMPANY

COMMODITY

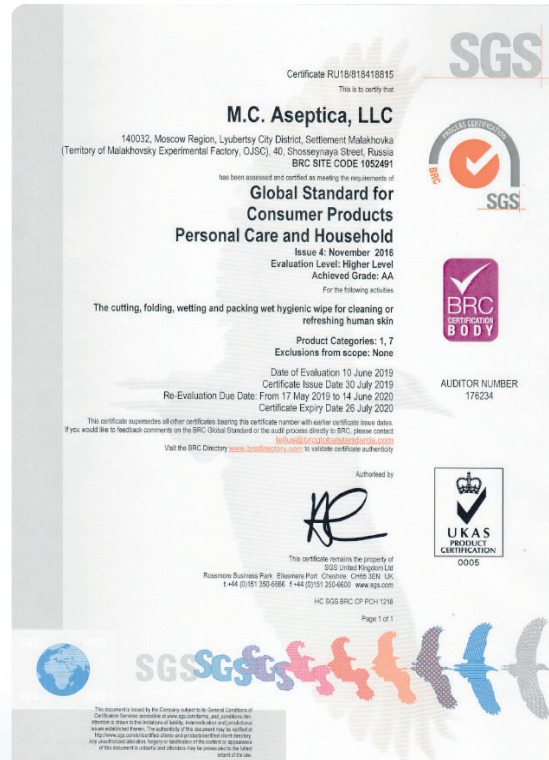

LLC «I.C. Aseptica» collaborates with world leading manufacturers and suppliers of commodity BASF, Dow Corning, Merck, Lubrizol, Kao Chemicals Europe, Croda, Fragrance Oils, IFF and others. Thanks to this, we are able to create the highest level products and to perfect our production technology.

ABOUT OUR COMPANY

CERTIFICATES

Every year our production is checked by various audits which confirms the top level LLC «I.C. Aseptica» as a manufacturer. Perhaps the most indicative test is the British Retail Consortium (BRC) International Certificate, which is the highest AA category, that confirms the compliance of our production with the highest European standards.

ABOUT OUR COMPANY

OUR CLIENTS

Among our clients:

- Aeroflot
- Russian Railways
- L'Etoile
- McDonald's
- Unilever
- L'Oreal
- Rigla
- KFC

AWARDS

For 20 years of existence in the market LLC «I.C. Aseptica» has been awarded more than 300 awards in various fields of business. Our products are steadily associated with high quality and attention to every detail. This is evidenced by high consumer loyalty, diplomas, medals, diplomas, certificates and letters of thanks.
